DIGITAL MARKETING EXECUTIVES

Since 2025

CMC MANUFACTURING & SERVICE (CMS)

- Planned and executed full-funnel digital marketing campaigns for SMB and Enterprise products, aligned with business objectives, B2B buyer journeys, and solution-driven messaging, focusing on lead acquisition, engagement, and conversion.
- Managed and optimized performance campaigns across Facebook Ads, Google Ads, and Email Marketing, generating 30-40 qualified leads per campaign cycle while maintaining CPL and CPA within approved budgets.
- Continuously optimized audience targeting, creatives, and conversion funnels to ensure stable ROI and improved campaign efficiency.
- Collaborated closely with design teams to maintain consistent brand identity and visual standards across all digital touchpoints.
- Led SEO initiatives, ranking multiple strategic keywords in Top 1 on Google and AI-powered search platforms, driving sustainable organic traffic growth.
- Built and optimized company websites, e-commerce platforms, Shopee channels, and high-conversion landing pages for products, solutions, and webinars, improving conversion rates through UX and content optimization.
- Organized webinars and workshops with 10-20 qualified participants per event, generating 2-3 high-intent product demo requests per campaign.
- Delivered strong digital reach, averaging 7,000+ clicks and 350,000+ impressions per campaign, expanding remarketing and acquisition pools.
- Developed and managed a Zalo community of 100+ technology partners, driving engagement and demand through content seeding and partner activation.
- Worked closely with Business, Product, and Data teams to align digital marketing activities with growth objectives and performance KPIs.
